

Sovereign SaaS – Driven by Collabora Online & Indryve

Anantha Raghava
CEO
Indryve

With 20+ years of experience, he drives Indryve's vision of sovereign, compliant collaboration platforms that return full data control to organizations.

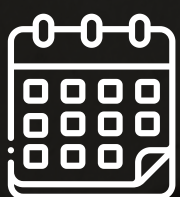

Eloy Crispo
VP Sales & Business
Development | Collabora

Leads Sales and Business Development at Collabora Productivity, helping organizations adopt secure, on-premise office solutions.

Are you looking for a secure, scalable, and comprehensive alternative to legacy collaboration platforms?

Join Indryve and Collabora Online to explore how enterprise-grade, compliant online collaboration can be achieved without sacrificing data control. Discover how Collabora Online integrates seamlessly with Indryve to deliver full-featured document viewing and editing, interoperability with major file formats (including Microsoft Office), and adherence to GDPR and digital sovereignty standards.

thursday 18th
December 2025

Time: 10:30 AM CET
3:00 PM to 4:00 PM IST
